Agenda Report Consent Calendar

June 1, 2009
Item No: 7C

To: Mayor Troy Edgar & Members of the City Council
Via: Jeffrey L. Stewart, City Manager
From: Angie Avery, Director of Recreation and Community Services
Subject: Pool Service and Maintenance Contract

Summary: This agenda item is a contract for service and maintenance of the pool.

Recommendation: Authorize the City Manager to execute a one-year extension of the pool maintenance contract in an amount not to exceed \$21,000 with Decksides Pool Service for service and maintenance of the pool at the Joint Forces Training Base.

Background

To keep the pool clean, clear and healthy for all participants, the pool needs to be continually serviced and maintained by a professional pool maintenance company. On June 18, 2008, the City Council approved a one-year contract with Decksides Pool Service. The contract included the option of two one-year extensions. This agenda item seeks approval to enter into an optional one-year extension of the original agreement.

Discussion

Decksides Pool Service has been cleaning the pool for the last year and has met and/or exceeded the terms of their contract. The company is responsive and proactive in their commitment to the pool and in communication with staff. As part of their cost proposal submitted last year, staff negotiated to pay Decksides for three pool cleanings per week and Decksides agreed to donate two pool cleanings per week in exchange for sponsorship of USA Water Polo.

Fiscal Impact

The initial contract with Decksides Pool Service for pool maintenance for the period July 1, 2008 to June 30, 2009 was \$15,480 annually (\$1,290 x 12 months). Decksides has agreed to not raise their price for the upcoming one-year contract extension period. The proposal for July 1, 2009 through June 30, 2010 is \$1,290 x 12 months equaling

\$15,480 annually. Staff has budgeted for the FY 2009-10 expenditure in the Joint Forces Training Base Pool Trust Fund, Pool Maintenance account 77.552.2477.
