### Background

The City of Los Alamitos is a member of the CJPIA. The purpose of the joint powers authority is to arrange and administer programs for the pooling of self-insured losses, purchase excess insurance, and to arrange for group-purchased insurance for property and other coverages. The City became a member in July 2007 and is covered for General Liability, Workers' Compensation, and property insurance.

Mayor Pro Tem Poe, as the City's delegate to the CJPIA, requested a presentation to the City Council, providing an annual update on the CJPIA and responding to any questions the City Council may have.

### Fiscal Impact

None.
