

"Preparing For a Degree" Educational Workshops

Instructor: Preparing For a Degree Staff • Location: Meeting Room
Fee: \$38 plus \$5 cash supply fee payable to instructor

1 Day – 10-14 yrs

Saturdays: 9:30-11:30am

Preparing For a Degree (PFD) is based on the concept that every student benefits from improved study skills. Students are given the tools needed to perform on a higher academic level. They are taught how to become better and more effective students. PFD is a back to the basics approach to Education. Register for one or a series of workshops. Limited space is available, so register early!

Effective Agenda Use (Do & Due)

Methods and techniques are taught to each student to effectively implement the "Do & Due" System. Workshop is recommended for students who are working with an agenda (minder binder). Students will develop a system to succeed in school, have better organizational skills, manage time by properly using an agenda, set and achieve weekly goals and accomplish more on a daily basis! **Students must bring their School minder binder/agenda to the class.** An optional 'agenda use' DVD is available from instructor for \$12.

Note Taking Strategies

Come learn effective note taking strategies by taking notes with your ears and not your eyes. Students are shown effective note taking techniques which in turn creates focus in class. Note taking is a form of studying for exams.

Class: 1740-10 **Date:** 1/23

New!

Test Taking Strategies

Proven test taking techniques are taught on how to take a test and not let a test take you. Strategies are taught for all forms of tests: Multiple Choice, Problem Solving, Essay, True/False, and Objective tests. Students are taught what to do before, during and after every test.

Class: 1744-10 **Date:** 2/6

Study Skills & Habits

Students are shown when, where and how to study on a regular basis. Students are then able to recognize their bad habits and replace them with good study habits. Students are shown the difference between homework (completing an assignment) and studying (learning their assignment for the test).

Class: 1741-10 **Date:** 2/20

Spanish-Beginning

5 Weeks **7-12 yrs**

Come learn a new language! Students will learn Spanish through music, bingo, and other fun activities.
